MUSIC

In the past months, we have been accumulating all that has been derived to create the sound of The Bridge and how it will manifest the experience of being part of our community. Our three tempo playlists bring to you the beats that will guide you to emote, reflect, and enter an arena of newer possibilities. We welcome you to enjoy your after-work evenings with the ambience of our live DJ and refreshing drinks. Whether it be taking your daily jog on our running track, or recuperating with a relaxing massage, our curated playlists will complement all occasions.

ART

The Bridge is grounded on its core philosophy of holistic transformation that we aim to express through art. Art is not only meant to beautify the space but to share the narratives of emerging artists harmonized with The Bridge's key concepts. Built on passion and creative freedom, the Art Space is where stories unravel and where conversations begin.

ART WORKSHOPS

An array of art classes are offered at **THE BRIDGE** with the purpose of enhancing our lifestyles by learning new techniques from experts and the community, as well as practicing the art of self-expression through various art forms.

COMMUNITY LAUNCHES

Growing members of our community come together to enjoy a day of balanced wellness through activities of active movement, recovery, and recharge.

Every Monday, join us in **TRACK & LAPS** in completing our steps at our indoor track overlooking the Al Qana waterfront.

On Saturday, we invite you to **ACTIVE SATURDAYS 2.0** for an energizing weekend with bio-circuit session followed by yoga flow and sound bowl healing.
